Enterprise Europe Network

IncoNet EaP assistance for Belarus in entering process

- Task 5.2: Developing cooperation of EaP with EEN
 - To promote cooperation with EEN in the EaP countries – EEN members
 - To assist those which are not yet members in joining the network
- COS-Art-7-001 - Call for EoI - 'Business Cooperation Centers' in third countries for the EEN, deadline -15 March 2015
- BellSA used the resources, instruments and contacts with the EU partners provided by the project for awareness raising about EEN among local players, facilitating interaction between them, strengthening the national consortium by including new members and assisting the consortium in drafting a proposal.
- Application supported. Agreement on setting up BCC “EEN-Belarus” was signed in June 2015 by the national consortium and EASME for the period till 2021.

Urgent needs

Assistance in

- Integrating the network
- Getting skills to carry activities properly and effectively

Setting up cooperation with EEN members for sharing experience and best practices and training of personnel.

We hope to get support from the EEN but also to continue using the IncoNet EaP instruments and the other sources

Thanks for your attention
